May 26, 1981

Please note a typographical error in my thesis "Elemental Composition of Solar Energetic Particles". Page 48 line 14 incorrectly reads:

$$C(x)=A_1A_2\left[\exp\left(-\frac{x}{A_3}-\frac{x^2}{A_6}\right)-1.0\right]$$

(subscript wrong)

Line 14 should be corrected to read:

$$C(x)=A_3A_2\left[\exp\left(-\frac{x}{A_3}-\frac{x^2}{A_6}\right)-1.0\right]$$

Thank you,

Walter Cook
